Hey Natalie,

Steve Coran is available tomorrow (except 12~2pm), what time slot works for you and Tom? Maybe Mr. Barclay as well?

Hi Andy,

Per our discussion today, I understand that Bai Cells is in the process of discontinuing use of the above HNI in your network and are implementing the HNI (314-030) that has been recently assigned to you.

Please confirm the implementation plan and reply to all with the date 310-98(0) will be completely removed from the Bai Cells network.

I look forward to hearing from you.

Thanks
